Reference and Instruction

Reference

Students seek research help when faculty encourage them to do so - send them to the library!

Talk to us about including a requirement that your students work with a PRC or librarian.

Peer Research Consultants (PRCs) provide drop-in help at the Prevo Science Library!

For more information on the PRCs and their hours, please visit
<https://libguides.depauw.edu/prc>

Librarians are available for one-on-one consultations by appointment: in-person or via Zoom.

<https://libcal.depauw.edu/appointments>

Instruction

There is no required library orientation, so students' experiences with the library and research vary widely.

Librarians can come to classes for brief sessions, full classes, or even multiple sessions, to deliver research instruction tailored to your assignments.

For more information on our Information Literacy offerings, visit
<https://libguides.depauw.edu/infolit>

Library instruction sessions can take many different forms- we can also create tutorials or LibGuides in lieu of a class session.

Want to discuss options? Make an appointment with a librarian to talk about it!
