## DePauw Libraries Institutional Repository

The institutional repository is a hosted web platform featuring DePauw research.

Check out <https://scholarship.depauw.edu/>

The institutional repository showcases all your research activities.

*Host your videos, podcasts, exhibits, reports, posters, and publications in one easy-to-find place.*

The institutional repository gets you noticed!

*We have terrific search engine optimization. We also promote your research on our social media accounts.*

The institutional repository welcomes journals, too!

*Use our editorial management system to produce your own online journal.*

The institutional repository provides usage statistics.

*Document your impact with usage statistics - hits and downloads, users' geographic location, and most popular items.*

The institutional repository costs you nothing!

*That's right - there's no charge for these services! We post files, create metadata, and manage the technical systems.*
