DePauw Libraries Institutional Repository

The institutional repository is a hosted web platform featuring DePauw research.

Check out https://scholarship.depauw.edu/

The institutional repository showcases all your research activities.

Host your videos, podcasts, exhibits, reports, posters, and publications in one easy-to-find place.

The institutional repository gets you noticed!

We have terrific search engine optimization. We also promote your research on our social media accounts.

The institutional repository welcomes journals, too!

Use our editorial management system to produce your own online journal.

The institutional repository provides usage statistics.

Document your impact with usage statistics - hits and downloads, users' geographic location, and most popular items.

The institutional repository costs you nothing!

That's right - there's no charge for these services! We post files, create metadata, and manage the technical systems.
